BRIEF ABSTRACT OF LETTER

Requests sanction to the revision of rates for the special wards in the New Vani Vilas Hospital, Bangalore

NOTES AND ORDERS.

G (Med. 248-34-2) 1) In the G.O. dated 15-3-35 sanction was accorded to the following scale of fees leviable in the Vani Vilas Hospital:—

5 first class wards of two beds each at Rs 4/- per bed.
1 second class ward of 10 beds at Rs 2/- per head.

2) Now the Senior Surgeon recommends two out of the five first class wards be converted

into second class wards at Rs 3/- each for bed and suggests revised scale of fees by introducing 3rd class ward also. According to these proposals the number of wards and the scale of fees will be as follows:-

3 First class wards of 2 beds each at Rs 4/- per bed.
2 second class wards of 3 beds each at Rs 3/- per bed.
1 Third class ward of 8 beds at Rs 2/- per bed.

3) subd with a draft sanctioning.

7/8 4) There will be a slight modification in the expected realisations. At present it is Rs 60/- per day if all the beds were filled up while it will be Rs 58/- per day if the revision sanctioned.

7/8 5) The proposal seems to be more to retain six beds from the R.B. wards than to create each in the two of Rs 4/- Wards reducing the charge to Rs 3/- per bed in the latter.

6) This is perhaps a necessity for patients of moderate means - but the paper under disposal gives no clear reasons for the change.

7) After sanctioning as in the file [illegible] has to be sanctioned two a day of Rs 2/- [illegible] to be received -

Sir,

Adverting to Government Order No.G.8496-7/Med.248-34-2 dated 15-3-1935 fixing the scale of fees leviable to the 1st class special wards containing 2 beds each and a second class paying special ward containing 10 beds each in the New Vani Vilas Hospital, Bangalore, I have the honour to forward herewith a copy of letter No.648 dated 18-8-1936 reporting that the following rates are found more suitable for these special wards:-

1st class ward of 2 beds	...	Rs.4/- each.
2nd class ward of 3 beds	...	" 3/- "
3rd class ward of 8 beds	...	" 2/- "

The Medical Officer further states that two of the Rs.4/- bed ward be converted into Rs.3/- bed ward with advantage resulting in the increase of income by Re.1/- for each ~~in the~~ ward. I recommend that the revised scale proposed may be

Letter No.648 dated 18-7-1936, from the Medical Officer, Vani Vilas Hospital, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

I have the honour to bring to your kind notice that after some experience I find that the rates most suitable for special wards of this Hospital are as follows:-

1st class ward of 2 beds ...	Rs.4/-	each bed.
2nd class ward of 3 beds ...	" 3/-	"
3rd class ward of 8 beds ...	" 2/-	"

The Rs.2/- bed ward and Rs.3/- bed wards are most popular. The Rs.4/- bed ward are required but so urgently as the others. Therefore I request that you will kindly sanction that two of the Rs.4/- bed ward be converted into Rs.3/- bed ward. That will not reduce the income but raise it by Re.1/- for each ward.
